

# HAIDER ALI

Aspiring Web Developer | BS Computer Science Student

Bhara Kahu, Islamabad | 0316-5081380 | malikhaider48008@gmail.com

## CAREER OBJECTIVE

Motivated Computer Science student seeking an internship opportunity to apply and further develop web development and programming skills. Eager to gain hands-on experience, contribute to real-world projects, and grow professionally within a dynamic, learning-focused software environment.

## EDUCATION

**BS Computer Science (Currently Enrolled)** 2023 – Present

Iqra University, H-9 Campus, Islamabad

**FSc, Intermediate in Computer Science** Completed 2023

Punjab College, Blue Area Campus, Islamabad

**Matriculation (Science)** Completed 2021

Allied School, Leader Campus, Islamabad

## WORK EXPERIENCE

### Truck Dispatcher

- Coordinated truck schedules and routes, communicating with drivers to ensure timely deliveries.
- Handled real-time problem solving and clear communication under pressure.

### Customer Support (Shopify Store Backend)

- Managed customer email queries related to order issues, such as receiving incorrect products.
- Responded to customer complaints via email, resolving issues and ensuring customer satisfaction.
- Handled backend order management for a Shopify-based online store.

## PROJECTS

**Personal Portfolio Website** HTML, CSS

- Designed and built a personal portfolio page to showcase skills and projects.

**To-Do App** HTML, CSS, JavaScript

- Built a task management app allowing users to add, complete, and delete tasks.

**Weather App** HTML, CSS, JavaScript

- Developed a weather application that fetches and displays live weather data.

**Responsive Websites** HTML, CSS

- Built multiple responsive website layouts using only HTML and CSS.

**Java GUI Calculator** Java, Swing

- Developed a calculator application with a graphical interface for standard arithmetic operations.

**Event Management System** Java / Python

- Built a desktop-based system (in both Java and Python) to manage event details, participants, and scheduling, including data entry forms and basic reporting.
